The Property

Accessed through secure double timber doors, a private and exceptionally well maintained walkway and steps lead to the property, with a further door providing access to the private rear garden.

A rear facing window brings natural light into the entrance stairwell and a glazed UPVC door opens into the welcoming entrance of the

home. Beautifully presented in crisp white, the hallway features laminate flooring, recessed ceiling spotlights, coat hooks and a central heating radiator. A hatch provides access to the roof space, while an attractive archway separates the generous square hallway from the rear hall, which provides access to the bedrooms and bathroom.

The spacious sitting room is a particularly inviting space, accessed through double doors from the hallway. The laminate flooring flows seamlessly through from the hall, while the neutral white décor creates a bright and fresh feel. A large double glazed window looks out to the front. Cornice detailing, recessed ceiling spotlights and a central heating radiator finish this space.

The kitchen is equally well presented and thoughtfully fitted. Decorated in neutral tones with vinyl flooring, the room has cream wall and floor mounted units complemented by timber effect laminate worktops and tiled splashbacks. Integrated appliances include fridge freezer, single electric oven, four ring ceramic hob with chimney style cooker hood, stainless steel sink and drainer with mixer tap, and space and plumbing for a washing machine. A coffee bar adds a lovely practical touch. The double glazed window to the front provides natural light, with the wall mounted Glow worm boiler also located here.

The bathroom continues the property's fresh and neutral presentation, with tile around the wash hand basin and shower boarding to the bathing area. The suite comprises a bath with thermostatic shower over, WC and wash hand basin set within vanity furniture. Finished with vinyl flooring, recessed ceiling spotlights, a central heating radiator and an opaque front facing window.

The first bedroom is a lovely light and bright room, with a large double glazed window to the front and plenty of space for a range of furniture. Finished in white with carpeted flooring, central heating radiator and ceiling light fitting. An Edinburgh press cupboard houses the electric meter and switchgear while also providing useful shelving. The second bedroom is positioned to the rear and is currently utilised as a home office, making it an excellent and versatile space. It would equally lend itself well as a comfortable second bedroom. With a double glazed window, carpeted flooring, fresh white décor, ceiling light fitting and central heating radiator. Overall, this is a genuinely lovely flat that has been exceptionally well cared for and presented in a fresh, tasteful and move in ready condition.
